

Hello there, I'm Suhas, a graphic and motion designer clocking in four years of creative adventures at Bokaap.design. I specialize in bringing ideas to life through visually compelling graphics and dynamic motion designs

## EXPERIENCE

### Bokaap Design

SEP 2018 - PRESENT

- Collaborated with clients at Bokaap.Design to conceptualize and create engaging social media posts, compelling emailers, and informative brochures.
- Independently managed projects, showcasing a strong ability to work autonomously and deliver high-quality design solutions tailored to client needs.
- Specialized in crafting animations to add dynamic and visually appealing elements to various projects.
- Cultivated long-term relationships with clients on retainer, contributing to the growth of a loyal and satisfied clientele.

### Freelance Designer

SEP 2017 - PRESENT
